Greetings from CSJ!

Below is some information regarding new student orientation. Given the fact that we have rolling admissions, I have included students in this mailing who may still be in the application process. The Admissions Office will notify you as to whether or not you have been accepted.

(Please note: If you are in the STEPS program, you have already received information regarding STEPS orientation. Please direct STEPS orientation questions to Mark Gagnon at 802-776-5256.)

Orientation will begin Wednesday, August 24 and continue through Sunday, August 28. Classes begin on August 29. A general schedule is as follows:

Wednesday, August 24—Residential freshmen check-in at 9:00am; commuters should arrive at 11:00am. Check-in takes place in Tuttle Hall. Parents/guardians may stay through the conclusion of the President's dinner, usually finishing around 5:30pm.

Thursday, August 25—Placement testing.

Friday, August 26—Academic advising, course selection/registration.

Saturday-Sunday, August 27-28—various social/informational activities.

Orientation is an important part of your transition to college and all freshmen are required to attend.

For a complete packet of orientation materials, please go to our website www.csj.edu and click on "Forms you'll need." You then click on "Freshman Orientation Packet."

Sincerely,

Robert P. Lukaskiewicz
Dean of Students
