

Tuition Guarantee Plan: Agreement

The College of St. Joseph (Rutland, Vermont), as part of an on-going effort to provide accessible higher education, has instituted a Tuition Guarantee Plan to allow students and their parents or guardians to know the precise tuition cost for the four years of college.

Students beginning as full time incoming freshmen for Fall 2009, are eligible for this plan and will be guaranteed the tuition rate of \$17,200 per year (defined as the Fall and Spring semesters) for 2009/2010, and for the next three academic years subject to the student's commitment to the following terms and conditions:

1. I will provide a check in the amount of \$200 for the Fall term deposit to the College of St. Joseph, postmarked no later than May 1, 2009.
2. I will begin courses with the Fall 2009 semester and will remain continuously enrolled on a full-time basis.
3. My tuition and fees will be paid in a timely manner.
4. I will remain in good academic standing.
5. If I take a leave of absence **for any reason**, or drop below full time, this current Tuition Guarantee Plan will be voided and when I return to the College of St. Joseph I will be required to enroll at the current tuition rate for that semester of re-enrollment.
6. I understand that this guarantee does not apply to the cost for fees or the room and board charges which are set annually and may increase annually.
7. I acknowledge that by participating in this Tuition Guarantee Plan, I will still be eligible for the full range of financial aid (federal, state, and college-specific) for which I qualify.

I wish to participate in this Tuition Guarantee Plan and I certify that I have read, understand, and agree with the requirements of the plan outlined in this Agreement. I understand that after May 1, the \$200 deposit is not refundable.
