May 2014 Undergraduate Degree Report

Conducted and Prepared by Russell B. Lennon, Director of Career Services
May 12, 2015

Purpose

To determine whether or not May 2014 degree recipients secured full or part time employment, where employed, job title, advanced degree plans, what source did they use to find employment and recipient comments (noted as provided).

Methodology

Responses to a four question and comments document (exhibit one) were gathered through telephone interviews. A total of four phone calls were made to graduates who did not respond to the initial phone call.

Exhibits 2 and 3 display detailed data breakdowns.

Recipients

May 2014 undergraduate degree recipients were identified in a report prepared and presented by the Registrar’s office. A total of twenty eight were provided. From this group five were no longer available (moved with no forwarding information, phone no longer in service, incorrect phone number and address. etc). Of the remaining twenty three information was acquired relating to nineteen students.
